

Access Programme

This 4-month course makes you master all computer applications including programming and Internet Technology. The incorporation of Communicative Approach English syllabus is a significant feature of this programme. The Curriculum consists of two main areas: Information Technology and English. The successful completion of the course will earn you FIVE different certificates awarded by BCAS + TWO Certificates for IT and English awarded by Edexcel, UK.

Ranked Among the **Top 5** &
No 1 Among the
Private institutions
By TNS Lanka / **LMD** Magazine

Benefits & Features

- ▶ The access program is tailor-made for students who want to get IT knowledge and speak and write English from the basics for their day to day life, higher education and employment needs.
- ▶ It convinces prospective employers that you possess recognized, relevant and up to date professional qualification.
- ▶ It gives confident familiarity to IT and its usefulness while the developing the skills to use English confidently.
- ▶ It effectively prepares the student to earn an equivalent to degree qualification or degree itself or to follow any other higher education course in Sri Lanka or abroad.
- ▶ It enables you to aim for more internationally recognized certificates.
- ▶ It gives an insight into the IELTS examination.
- ▶ It would serve as a valuable entry qualification to HND in Computing, IT or related courses in most of the colleges and Universities in the UK or elsewhere.
