100 Scholarships for UK Degree studies in Sri Lanka

Merit-Based Financial Assistance Scheme by BCAS Campus

The BCAS 'SISU SAVIYA' Scholarship

BCAS Campus is a top ranked higher education institution in Sri Lanka with a wider network of campuses in major cities of the country and an overseas centre in Qatar.

Having highly established academic partnerships with reputed UK universities and awarding bodies, it offers undergraduate and Postgraduate courses in multiple job oriented streams.

As a socially concerned and committed higher education institution, BCAS Campus has launched a merit-based scholarship scheme "BCAS Sisu Saviya" with the intention of helping academically deserving needy students.

A total of 100 scholarships worth Rs.80 million are in offer. Those who possess a Z-score of 1.00 and above are invited to apply before 25 December 2015. The selection criteria will mainly be based on Z-score and will also include an aptitude test and an interview.

With these scholarships, students can follow the full Degree programs at BCAS Campus in the streams listed below. Degrees will be awarded by University of Wolverhampton or London South Bank University, UK.

- Civil Engineering | Biomedical Science | Law
- Business Management | Quantity Surveying | Computing
- Management Information Systems
