

SCHOOL OF BUSINESS

Message from the **Vice Chancellor**

At Solent we are committed to our international communities and are proud to have been in partnership with BCAS since October 2019. We are delighted to be providing students in Sri Lanka access to outstanding Solent courses in business and computing, and we look forward to building on our partnership in years to come.

Are you Planning to upgrade your existing qualifications to a full UK Honours Degree? This intensive Business Management top-up Programme is specifically designed to help you build on what you've already learned from either past study or work in industry. Students cover a range of relevant topics including human resources, marketing, management and business academia - developing a sought-after set of practical Business Management skills.

Solent's intensive Business Management top-up is perfectly suited to students who are looking to upgrade their existing qualifications and earn a full Honours Degree in just one year.

Students will focus on core business functions, gaining a transferable skill set that can be applied in a broad range of business environments.

The academic experience on this degree centres on first hand advice and real examples of business scenarios. Studying a broad range of industries and roles is advantageous, as it help students to decide where their specialisms lie and which industry they might like to pursue employment in.

Students are also guided as they write a dissertation, carrying out in-depth research into a relevant business area. Students use the analytics skills learnt throughout the course to inform this research, and are encouraged to focus on an area that they think they might like to work in after graduation.
